

Early Education Intern

Job Summary

The Early Education Intern is a semester-long position that will provide support and leadership to various aspects of the programs of the ministry. This position is perfect for someone that wants to get experience working with Elementary, Middle and High School students. They will work to achieve the mission and vision of Rainbow's End Youth Services (REYS) through the building and strengthening of relationships with students and volunteers. The Early Education Intern will also work alongside the Director of Student Ministries, Executive Director, and other staff and volunteers to serve the students and volunteers through direct and indirect student ministry. Emphasis will be on leading within the programming needs of Elementary students, but will assist with Junior and Senior High students.

Primary Responsibilities and Commitments

- Work with Elementary, Junior High and High School students during After School Programming (Monday-Friday 3-6pm) to help lead activities, gym games, crafts and teach Bible lessons.
- Assist in implementing an age appropriate curriculum.
- Assist with the basic needs of children.
- Manage weekly, monthly and annual projects as assigned by the Executive Director and Director of Student Ministries.
- Prioritize relationship building with all youth who walk through the doors of REYS
- Schedule may vary to accommodate REYS program needs
- Hours are typically 10-15 hours a week
- Other duties as assigned.

Qualifications

- Personal commitment and relationship with Jesus Christ
- Some experience working with youth (or related experience)
- High School Senior or College Student
- Fully embrace the mission, vision, and values of REYS
- Positive, enthusiastic, and energizing demeanor
- Relational skills

- Excellent written and verbal communication skills
- Patience and empathy in working with all ages of youth, those in difficult life circumstances and coming from diverse backgrounds
- Self-motivated and adaptable; well organized to select priorities and handle multiple tasks
- Good command of technology

Compensation

Varies based on qualification and experience.
